

Invitation

Dear in-coming TIGP Students,

It is our great pleasure to invite you to the upcoming 2006 TIGP Welcome Party/Student Orientation on **September 5th, 2006**. Student Orientation is strongly recommended for international students, because they will be learning survival skills for living in Taiwan. Local students are also welcomed to attend the Student Orientation, because important TIGP issues such as scholarship payment, conference grant application will be discussed. To facilitate the arrangement of this event, please return the R.S.V.P. via E-mail to your program assistant before **August 15**. For your reference, please refer to the schedule attached below.

Looking Forward to See You,
